

SAAA, Chapter 10, FLY-IN

Saturday 21st March 2009 at Bunbury City Airport

Photo from last SAAA Chapter 10 FLY-IN at Bunbury four years ago.

Local SAAA Chapter 10 President (and member of our club), Mike Fletcher has invited all members of the Western Microlight Club to be part of the forthcoming Sports Aircraft Association of Australia annual Regional Fly-In to be held at Bunbury City Airport on Saturday 21st March 2009.

Mike is hoping that some of our club members will be able to be part of a “Fly Past” of microlights to show our trikes to the gathered assemblage.

XT-912 TUNDRA ON THE BEACH

The Tundra undercarriage on the latest model XT-912 Tundra handles the beach with ease
