

SEASONS GREETINGS

It's that time of the year again — one more year has gone by and Christmas is just around the corner. Best wishes to all members and readers from the club committee.

See the Carnarvon photo below (more photos inside) for some idea of our trip and the fabulous scenery. It's possible that we may make another trip to Carnarvon next Autumn — this is to be discussed at the AGM. (Details of the AGM and Hangar BBQ are on the back page.)

Special thanks to those who have contributed articles and photos this year. Without your contributions, I'm certain that Triker News would not survive. Please keep all contributions coming in — the more the merrier.
